If you want to know the must-see art exhibits up now, look no further. Every two weeks AFC brings you five New York-based recommended shows, except in August when the art world is slow and we do things a little differently. This week the blog's curatorial fellow, David Harper, and AFC intern, Liza Eliano, offer these suggestions: [Young Curators, New Ideas III at P.P.O.W.](#), [Slummer Nights at CANADA](#), [Daniel Gordon's Thirty-One Days and Ruby Sky Stiler's Special Project at Callicoon Fine Arts](#), [Approaching Abstraction at the Folk Art Museum](#), and [Reflection: 15 Years at Casey Kaplan](#). For more details check out the [Recommended Shows](#) section that compiles all of our picks over the last month and add them to your calendar!
